

**Before and After School Care (BASC)**  
Incoming TK/K Information for 24'-25' school year  
Orinda Union School District

**Overview**

Orinda Union School District BASC programs offer an extended day recreation program to all students attending their prospective elementary schools for a fee. BASC is open from 7am-6pm on all school days. BASC is closed on school holidays, breaks, staff development days, and summer. Each BASC program is located on the campus of their respective school.

**Ratios**

Our TK/K students are kept separate from our 1st-5th graders for a majority of the day. We may be combined before school and for a short time in the late afternoon, before closing.

Our TK/K ratio is 1:12

**Daily Schedule/Program**

We pick-up our TK/K students from their classrooms each day. TK students will eat lunch at BASC while our Kinder friends will only eat there on minimum days. If your student would like a lunch from the cafeteria we will coordinate that, otherwise, they can bring their own lunch.

We provide a snack around 3pm and offer a variety of activities including: arts and crafts, STEM, games, sensory experiences and outdoor activities. There is a balance of free choice as well as staff and self-led activities. If your child is signed up for afterschool enrichment classes, we can help ensure your child gets to where they need to go in partnership with their instructor(s).

**Program Options**

We offer several different program options to fit varying family needs and schedules. All offerings are Monday-Friday for before and after school with a wide range of options based on the pick-up time you need from 2pm-6pm. Drop-in options are also available if care is only needed once in a while.

**Registration**

Intent to enroll forms will go out in May of 2024 for the next school year. If you foresee your family needing care we encourage you to fill out this form and indicate your care needs to the best of your ability at that time. Official registration will begin on Tuesday, August 6th via EZChildTrack. A link with registration information will be sent out via Parent Square once registration is open as well as posted on the BASC page of the school district website. Keep your eye on your inbox around that time.

**Contact**

Please reach out to your site supervisor if you have any questions.
